At the heart of the Rectory ground
A *Pink Lady* was recently found.
Now the Rector has vanished,
Some say he was banished,
And '*Pink Scandal*' rumours abound!

Now, such rumours the Rector denies:
No *Pink Lady* has caused his demise.
The *Pink Lady* win
Has not led him to sin;
His departure was not some disguise.

But beware of the *Lady* in *Pink*;
She's more dangerous than you may think.
From Duddenhoe's way
She may lead you astray;
Your now part of the *Pink Lady* Link
